Department of Transportation - Adoption of Fee Schedule for  
Traffic Sequence Reports

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and adopt the fee schedule of Traffic Sequence Reports. The fee schedule will apply to all applications submitted on or after February 1, 2013, ten days after Board of Estimates approval or whichever occurs first.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

Each year the Department processes a significant number of requests for Traffic Sequence Reports involving interpreting raw traffic data and preparing technical detailed reports. The lengthy preparation of the Traffic Sequence Report includes deciphering and translating raw traffic data in lay terms which is often used in court procedures. Preparation of the report involves performing research, conducting a field investigation at the signal controller, and drafting a letter describing the operations. This generally takes about three hours. The fee compensates the Department's engineers for their time deciphering and translating the raw data, producing a Traffic Sequence Report, and a map and appearances in court.

The Department of Transportation's proposed Scheduling Fee for Traffic Signal Sequence Requests, Red Light Camera Photos, Traffic Counts, Signage, and Court Appearances, etc. is as follows:

- \$70.00 per request for intersection
- \$35.00 "Rush" fee for all requests needed in less than ten days
- \$35.00 per hour, minimum four hours, for court appearances
- \$10.00 per map

Baltimore Development Corporation - Sixth Modification Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the sixth modification agreement with the Baltimore Children's Museum, Inc. (the Museum).

The Board is further requested to approve and authorize the Director of Finance to execute certificates, affidavits, consents, and ancillary documents as set forth in the Promissory Note, none of which will impose any obligation upon the City.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

On April 1, 1998, the Board approved the original loan agreement with the Baltimore Children's Museum, Inc.

The Baltimore Children's Museum, Inc. is a not-for-profit corporation that operates a children's museum located at 35 Market Place, known as Port Discovery. The \$32,000,000.00 facility, for the education and entertainment of children and their families, opened in December 1998. The Museum is funded by a combination of Federal, State, City, foundation, and private resources. The City provided \$5,000,000.00 under three separate City loans (City Notes) as part of the total project financing, which was approved on April 01, 1998.

The City loans are summarized below. The repayment plan for Note I permitted the principal balance and accrued interest to be forgiven on a dollar for dollar basis, provided that the Museum raised new capital or endowment funds from non-City sources. Since June 2005, the Museum has collected approximately \$984,000.00, which was used to retire the balance of Note 1, effective September 25, 2009.

**(JHU)**

Account: 4000-425613-3023-599605-603051

The JHU-Pediatric & Adolescent HIV/AIDS Program, a member of a statewide coalition to address the needs of the Women, Infant, Children and Youth population, currently provides a full range of HIV services directly or through linkages with other providers. The program also provides comprehensive, culturally sensitive, state-of-the art HIV medical care and support services.

**MWBOO GRANTED A WAIVER.**

The agreement is late because the Infectious Disease and Environmental Health Administration (IDEHA) programmatically manages Ryan White Part D services. The IDEHA selects the providers through a competitive Request for Proposal process. The providers submit a budget, budget narrative, and scope of services. The Health Department thoroughly reviews the entire package before preparing a contract and submitting it to the Board of Estimates. These budgets are often times revised because of inadequate information from the providers. This review process is required to comply with the grant requirements.

The EPFL was founded in 1882 as the nation's first free public library system. The EPFL's mission is to provide equal access to information and services that empower, enrich, and enhance the quality of life for all. Its goals include building a literate society, advancing job and career opportunities, strengthening communities and fostering personal, academic, and cultural enrichment.

As a partner in the Reading for Health Initiative the EPFL will be responsible for building the capacity of Maternal and Child Health (MCH) staff to help parents role model family literacy skills with their children. Services to be implemented include but are not limited to participating actively in monthly Reading for Health Coalition and keeping members abreast of literacy activities and client referrals. The EPFL will work with the Health Department and Johns Hopkins Center for Communications Programs to develop resource map/guide for all staff, co-design family literacy promotion training activities for MCH direct service staff with Baltimore Reads, Inc. and develop pre and post-test training evaluation with Carson Research and

The African American Festival is a celebration of the cultural heritage and diversity of Baltimore's African Americans and their descendants. Recognized on a national level, it is a celebration of life, music, culture over the last 30 years, and has been the largest African American Festival on the east coast. This festival attracts all ages and brings together a demographic distribution of incomes, ages, education and gender. The African American Festival is an opportunity for local and national sponsors to reach a large targeted audience in a unique and positive environment.

An Intent to Waive Competition was posted on CitiBuy, which also sent 105 email to vendors in the advertising and marketing fields. greiBo K Designs, LLC has successfully managed the Festival for the past two years, taking it from an event plagued with problems and debt and rebranding it by turning it in to a national asset for the City. Under greiBO K Designs, LLC's management, the Festival has achieved national prominence as a summer destination and has experienced record breaking attendance.

Upon approval by the Board of Estimates, the City of Baltimore will disburse grant funds to the Baltimore City Foundation, Inc. in the amount of \$350,000.00 for the consultant, greiBO K Designs, LLC for the preparation of the 2013 African American Festival.

The funding will be utilized to offset the entertainment fees, event producer's fee, marketing, and infrastructure expenses. Entertainment funding will assist with securing local and national talent as well as offset travel and lodging expenses and performance fees. Event producer's fee supports event management and staffing, sponsorship, budgeting, project design and project management. Marketing and infrastructure funding supports the cost of television and radio advertising as well as outdoor, online, print and direct mail, tents, stages generators, security, stage lighting, sound and video screens. The requested funds will be available to allow greiBO K Designs, LLC to provide the talent and vendor deposits needed for scheduling entertainment.

It is hereby certified, that the above procurement is of such a nature that no advantage will result in seeking nor would it be practical to obtain competitive bids. Therefore, pursuant to Article VI, Section (e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

(The agreement has been approved by the Law Department.)

Department of Transportation - Addendum to Site Access Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of an addendum to site access agreement with Exxon Mobil Corporation. The addendum extends the site access agreement through November 9, 2013.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

On November 9, 2011, the Board approved a one-year agreement with Exxon Mobil Corporation in connection with a site access agreement to allow the Department to hire a consultant to enter 1200 South Haven Street. Access was granted to a consultant hired by the Department of Transportation to perform surveying, geotechnical sampling, and other work as part of a planned road expansion in the area. The Department and Exxon Mobil Corporation request approval of a one-year renewal to permit continued work at the site.

This addendum is late because of delays in obtaining external approval. All other terms and conditions of the original agreement remain in full force and effect.

Department of Housing and - Governmental/Charitable  
Community Development      Solicitation Application

**ACTION REQUESTED OF B/E:**

The Board is requested to endorse a governmental/charitable solicitation application to be submitted to the Board of Ethics of Baltimore City.

**AMOUNT OF MONEY AND SOURCE:**

No general funds are involved in this transaction.

**BACKGROUND/EXPLANATION:**

In an effort to continue the positive momentum of the Vacants to Value Initiative and reduce property blight in Baltimore, the Land Resources Division will host its 3<sup>rd</sup> annual Baltimore Builds Expo on June 8, 2013. The Expo educates the public about the Baltimore Housing's efforts to eliminate blight as well as provide opportunities for homeowners and investors alike, to purchase and renovate Baltimore City homes. The Department promotes City home buying incentives and provides information on resources to rehab and revitalize vacant City-owned properties.

The last two Baltimore Housing Expos' were funded entirely from fees generated by offering exhibit space for a nominal fee. The Land Resources Division will solicit Maryland Businesses with products geared toward rehabilitation, renovation or restoration of properties. The fees collected will be used to cover Vacants to Value related expenses which include facility and equipment rental, refreshments, promotional items and advertisement.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity that has been pre-approved by the Ethics Board. Ethics Regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function, or activity to be benefited and the proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

DHCD - cont'd

Vacants to Value plays a significant role in the Mayor's priority outcome of making Baltimore City neighborhoods stronger. The goal of the Vacants to Value program is to eliminate blight in an effort to help raise property values, create community amenities, increase local tax revenue, and attract new residents and businesses. Through Vacants to Value, more of Baltimore's vacant and abandoned properties are being redeveloped more quickly, efficiently, and economically. In June 2012, the Baltimore Builds Expo attracted more than 400 participants with an interest in revitalizing the City of Baltimore. Similar attendance is expected in 2013.
