

PERSONAL PROTECTIVE EQUIPMENT GUIDELINES

Protective Gloves

- 1 Wash hands for at least 20 seconds
- 2 Put on gloves
- 3 Do not touch face, mask, or clothes
- 4 Touch Designated item. Once Finished, remove Gloves using CDC Guidelines to avoid touching the contaminated side of the gloves
- 5 Dispose of gloves in the nearest trash can

PERSONAL PROTECTIVE EQUIPMENT GUIDELINES

Medical Mask

- 1 Wash hands for at least 20 seconds
- 2 Place mask over mouth and nose
- 3 Do not touch mask until removal
- 4 Wash hands for at least 20 seconds
- 5 Throw away mask in the nearest trash can
- 6 Wash hands for at least 20 seconds

FACE COVERING INSTRUCTIONS

You don't need a medical mask to reduce your risk of contracting COVID-19. A scarf, t-shirt, bandana or any cloth covering can work. However, follow these guidelines for effective use:

- 1 Wash hands (20 seconds)
- 2 Secure face covering (layers of fabric) comfortably over mouth and nose
- 3 **Do not** touch face covering until removal
- 4 Wash hands (20 seconds)
- 5 Wash face covering regularly with laundry
- 6 Wash hands for at least 20 seconds
